

# Fairness to Freedom

The Campaign for  
Universal Representation

Dear \_\_\_\_\_,

I'm writing to urge Sen. \_\_\_\_\_ to co-sponsor the Fairness to Freedom Act, which is being introduced by Sens. Gillibrand and Booker. This bill would establish a universal right to federally funded legal representation for individuals facing removal who are unable to afford an attorney.

As a supporter of the [Fairness to Freedom: Campaign for Universal Representation](#), I strongly encourage your office to consider co-sponsoring this critical piece of legislation to ensure basic fairness for those whose life, liberty, and community ties are at risk in the immigration system.

Please see the Fairness to Freedom Act [summary](#), [section-by-section](#), and [final bill text](#). If your office is interested in co-sponsoring, please contact Jesse Rodriguez ([Jesse\\_Rodriguez@gillibrand.senate.gov](mailto:Jesse_Rodriguez@gillibrand.senate.gov)) and Anna Song ([Anna\\_Song@gillibrand.senate.gov](mailto:Anna_Song@gillibrand.senate.gov)) in Sen. Gillibrand's office.

Thank you very much, and please reach out if you have any questions.
